PROFILE

Result-oriented Frontend Developer with experience in creating engaging and user-friendly web applications. Skilled in HTML,CSS and JavaScript with a proven track record of collaborating with cross-functional teams to deliver high quality project on time and within budget. Strong problem-solving abilities and a keen eye for details, dedicated to delivering seamless user experience.

WORK EXPERIENCE

Frontend Intern

TIIDELab Initiave | Abuja, Nigeria.   June 2023 - Present

- Collaborated with other interns to develop projects using HTML, CSS and JavaScript, currently using React, that maintained responsiveness and are user-friendly.
- Successfully built and delivered a Portfolio website via efficient coding practices.
- Played a key role in the success of various projects by creating top-notch technical documentation, blog posts, articles, and content that not only met but surpassed expectations.
- Had the honor of sharing insights on the art of writing through a lecture with my fellow teammates.

Pathologist Assistant   Nov 2021-Jan 2023

Maitama District Hospital

- Performed a variety of laboratory procedures such as tissue processing, embedding, staining, and mounting slides for microscopic examination.
- Mentored and trained a good number of interns on Laboratory procedures and ensure accuracy, quality, and timely completion of tasks.
- Conducted autopsies under the guidance of pathologists, performing external examinations, organ dissection and sampling for analysis
